VOLUNTEER RECRUITMENT

Thanks to the parents/guardians already working hard to organizing fun things for this school year! We currently need help with:

- Pick a fundraiser and help run it—all ideas welcome!
- Someone with a commercial popcorn maker willing to help at movie nights and snack sales
- Run our next movie night this fall

Throughout the year, we will make calls out for volunteers for special events. Besides the above needs, we welcome any kind of support—no specific skills or time needed. We'll find a way for you to contribute to the school in a way that's meaningful for you.

CLASSROOM PARENT COMMUNICATION GROUPS

Each classroom has a Whatsapp group chat. More details are in the handout attached. If you are interested in joining your child(ren)'s classroom chat please complete the form here:

FRIENDLY REMINDER

Parent parking is located on Buller Ave or Marine Drive, the parking lot is for school staff. Student safety is #1, please be mindful of walking children around the school.
