The purpose of the Glenwood Parent Advisory Council (PAC) is to:

- Facilitate parent/community support for the school and organize events/programs that contribute to school life.
- Encourage and recruit parent involvement as needed and desired by the school.
- Raise funds for the school/student needs as decided by the voting parents\*. Thanks to PAC committees, parents, volunteers and donations, in the last few years we have funded field trips, school-wide lessons, basketball court, rock circle, fence art and much more!

\*Any parent/guardian attending PAC meetings may vote
