VOLUNTEER RECRUITMENT

Thank you to our parent/guardians already working hard organizing fun events this school year! We currently need help with:

- Movie night coordinators
- Fun Lunch handout volunteers

Throughout the year, we will make call-outs for volunteers on special events. Besides the above needs, we welcome any kind of support—no specific skills or time needed. We'll find a way for you to contribute to the school in a way that's meaningful for you.

CLASSROOM PARENT COMMUNICATION GROUPS

Please join the school-wide and classroom WhatsApp chat groups. More details are in the handout attached.

FRIENDLY REMINDER

Parent parking is located on Buller Ave or Marine Drive, the parking lot is for school staff. Student safety is #1, please be mindful of walking children around the school.
